## EUPHORIC HARMONIES PROFESSIONAL 4-CHANNEL ROTARY MIXER

### Digital Clarity meets Analog Warmth

Euphoric sound with the clarity of digital and the richness of analog that's never been heard from a DJ mixer before

### Rupert Neve Designs transformer

Co-designed transformer adds harmonics to the music and creates a glossy and energetic sound

### Specially developed rotary fader

Comfortable grip, perfect size, elastomer on the outer circumference, and innovative optimum weighting

### Energy Visualizer

Needle meters show levels for all channels, and Spectrum Analyzer shows Master Output balance

### Next-gen 3 Band Master Isolator

Perfectly balanced torque load, natural cut-off and slope, and new Boost features

### Built-in Send FX

Built-in spatial effects: Delay, Tape Echo, Echo Verb, Reverb, Shimmer, and HPF. There's also a Send/Return section
