Product Name: GSP-L2200-PK

TITLE: 15-Inch 2-Way Active Bluetooth® PA Speaker

DESCRIPTION: This is an all-in-one Speaker system with built-in LED lighting effects, the perfect solution for your parties and events. The GSP-L2200PK pumps an incredible 2,200 watts of power through its massive 15" high excursion woofer and 1.35" horn tweeter. The GSP-L2200PK features Bluetooth® streaming with TWS, so you can create a wireless stereo pair with another GSP-L2200PK speaker. The built-in Media Player also supports playing music from your USB drives or SD cards plus FM radio, perfect for tailgating or the beach! Plus, the full audio mixer gives you the inputs and outputs you need to turn any place into your private concert venue! The user-controllable lighting can flash and change colors to the beat of the music, glow or pulse in a single color, or turn completely off, it is up to you! Wired Microphone and Speaker Stand are included with the GSP-L2200PK, everything you need to put on an unforgettable event.

Highlights
